

The Great Summer of Reading

Welcome to the Great Summer of Reading! Our incredible local bookstore Parnassus Books has worked with publishers, authors, and other companies to provide FREE books for kids in our community this summer, so we're putting out the call: If you work with youth (ages 0-15) in Davidson County, **we invite you to request books to help kids in Nashville read all summer long!**

Below you'll find the catalog of available titles, as well as the quantities of titles per box. [Fill out a request here.](#)
